("my great great grandfather, John Yoder. He was born in Hooversville, Somerset County, Pennsylvania on April 29, 1845. He served with Company I, 1st Maryland (US) Volunteer Cavalry during the Civil War after enlisting at age 16. He was injured when his horse stumbled while jumping a wall. His unit fought at the East Cavalry Battlefield at the Battle of Gettysburg. He was mustered out of service and honorably discharged in 1865. He married Malinda Lohr (born December 18, 1845 in Buckstown, Somerset County, Pennsylvania) in October 1865, and they are the parents of 9 children, including my great grandfather, Edward Augustus Yoder (born February 12, 1882 in Somerset County). John died of his war wounds on November 4, 1904, and lies buried in Otterbein United Brethren Church Cemetery, Shade Township, Somerset County.

"I can't really add too much information to what you already have, but I can tell you that Edward Augustus Yoder married Elizabeth Watkins (born July 28, 1883 in New Straitsville Ohio, the daughter of Welsh immigrant David Watkins and Rebecca Green). Edward was a stone mason by trade, and much of his work in Cambria County, Pennsylvania still exists. My grandmother knows where all of it is. Edward and Elizabeth lived out their married lives in Cambria County, and they are the parents of Marie, born 1909, died 1980; Lester, born 1912, died 1960's; Minnie, born 1915, died 1985; and my grandmother, Florence, born 1918 and still living in Johnstown, Cambria County. Florence married James Orner on April 11, 1942, and they are the parents of Sharon Fay, born August 21, 1943, and my father, Barry James, born August 19, 1946. Barry married my mother, Karen Ann Mikas (born July 2, 1947) on September 30, 1967, and I am their only daughter Debra, born February 22, 1969.

"Interesting story regarding John and Malinda Yoder--I have no idea if this is true, it's just family legend--but supposedly John was not a very nice person when he came back from the war, having taken up drinking and occasional wife-beating. As the story goes, one day Malinda decided she had had enough and, pointing at the leg he was about to kick her with, said something in German and the leg was crippled from that day on. Like I said, interesting story, absolutely no proof to back it up. I do know from his pension records that John's injuries were internal, so that's not what was wrong with the leg." -Debra Orner , DOrner1065@aol.com,)

"My great-uncle, Frank YODER (YR237817), born January 1888 in Hooversville, Somerset County, Pennsylvania, brother to my great-grandfather, Edward Augustus YODER and son of John YODER and Malinda LOHR, was a prisoner of war during WWI, captured by the Germans.

"My grandparents are moving out of their house and are going through a lot of old things. She found a picture of Frank and some other prisoners, along with what I assume are some of their captors, because they look to be Turks. Unfortunately, that's all she knows. She doesn't know what his unit was, where he was captured, what he was doing when he was captured, or how long he was held. I intend to send away for his records, and when I receive them I will pass along the details to the list.

"From what I can tell in the picture, Frank was very well dressed and well fed, so the picture was taken either near the beginning of the war or he was made to look well taken care of for propaganda purposes. I am happy to report he was also very handsome!"
