Early Joder Records

For available information on “early Joders”, see Yoder Newsletter Nos. 16 (October 1990), 40 (October 2002), 41 (April 2003) & 58 (October 2011). YNL58 announces the ground breaking evidence that Melchior's father, Nicolaus, was the son of Nicolaus the son of Adam Joder of Steffisburg.

Other heirs and cousins of Daniel: Philip Lahr, Elizabeth Lahr w/o David Schultze, John George Lahr, Johannes Hirstein, Magdalena Lahr Rauch

General Comments, Melchior Yoder “M” Line

Notes from a typed manuscript by Col. George M. Yoder of Hickory, North Carolina prepared in about 1901 and entitled "Of the Yoder Family in the United States". See YNL 29, April 1997, pages 1, 6.

"I have a history of Freesburg Charge in my possession. That Charge is composed of six churches and all are Union churches, which were built over a hundred years ago. The constitution for the government of the different congregations is a joint one. In this history I find some Yoders had taken a very conspicuous part. I find that Melchior Yotter (Yoder) (M) had two brothers named Jacob and Daniel, and a sister named Eve, who left Switzerland and landed at Philadelphia and settled in {Philadelphia now} Montgomery County. One of them settled at a place called Drop, where he erected a factory of some kind, which he afterwards sold and went to Northumberland County. "About 1765 (sic - bought in 1796) Melchor Yoder (Senior) (M), in Snyder County bought a large tract of land on a creek that extended several miles. About 1799

Melchor and John Yoder, Peter Godshalk and Samuel Moyer were elected Trustees to solicit subscriptions to rebuild St. Peter's or Seibers church and a schoolhouse, which was the custom in those days in Pennsylvania. On this list I find John Yoder {M1}, Peter Yoder {M6}, Jacob {M2} and Henry Yoder {M4} and Melchior Yoder, Jr. {M5}.

"Melchor Yoder (Senior), came to Northumberland County with his wife, Anna, in 1749 (sic) and bought 103 acres of land from Judah Roberts. His children were Melchior {M5}, John Peter {M6} and Abraham {?}. John {M1} married Catherine Hart. Their children were Nancy, who married a Mr. Woodling; Elizabeth, who married George Shack, and Samuel, who married Sarah Helbish. John Yoder died Oct. 20th, 1832. Peter lives in the old homestead. Melchor Yoder (Senior) was the father of Melchor, Jr. George Shack, who married Elizabeth, came in possession of the upper part of the farm.

"The sister, Eve, who came with them, married a man named Longacre and remained in Montgomery County, {PA}. So did Jacob and Daniel. Some of their descendants live in Lancaster County, {PA}."

[YNL NOTE -- We don't have the firm details of Melchior's lineage before the name of his father, but the evidence of family connections (such as correspondence with the North Carolina Yoder branch) and the DNA confirmation of a common male ancestor with the Oley and Mennonite Yoders, makes it certain that his origins are with the Joders of Steffisburg. The Amish Yoders seem to have split off a generation or so back from wherever Melchior's ancestor are. It is entirely possible (but not proven) that the Niclaus who was Melchior's father was an uncle of the Oley Yoder immigrants.

Melchior {M5} and Jacob {M2} WERE brothers. Regarding Eve (?Yoder) Longacre - see parents of M21's wife below - same Eve?.. a second cousin marriage seems unlikely it's known that Melchior and Jacob had a cousin named Daniel ... see below. Chris K. Yoder]

Commentary by Mrs. Dorothy Yoder Coffman, 7 December 1996

"All we have on that Daniel with a sister Eve who left Switzerland is from the notes of the Schultz Journals. We found these at the Shwenkfelder Library at Pennsburg, Pennsylvania a number of years ago. They date from 1726-1760. There seems to be a relationship between the Montgomery County, PA Yoders and the Conrad Yoder who went to North Carolina, but we can't prove what it is. This Daniel was not married and left his land and goods in Berks County, PA to various people in 1783/84. He MAY have been brother to Jacob and Melchior and Henry and sister Mary. So far we have not found any immigration records for this family.

"Haven't found any village by the name of "Drop". Melchior {M} paid taxes on 130 acres of land in (then) Philadelphia County, Hatfield Township, in 1774. He paid taxes there until 1782 when he moved to Limerick Township and was taxed there thru 1796. His son John {M1} was taxed there 1792-96. Melchior, Sr. also appears there in the 1790 census. The extra female with his family at that time could be (her) mother, a

sister or a wife of one of the sons. Don't know.

"Melchior, Sr. bought land in Northumberland/Union/Snyder County, Penn Township, in 1796 (not 1765 or 1649). He was taxed for 350 acres in 1799, and John was taxed for 100 acres at that time.

"Some of G. M. Yoder's information is O.K., but nothing like a document to firm things up.

"I can't say that a sister of Melchior, Sr. did or did not come with them, but I doubt the statement that a Eve Yoder married Daniel LONGACKER and went to Greene County with him. I believe Daniel Longacker's wife Eve was born a MOREDOCK but I still can't prove this with a document. This clue comes from a land settlement in Greene County of her father. This Eve was born circa 1762-70 which makes her a generation younger than Melchior and his brothers.

"According to court records (land and wills) Melchior's brothers Henry and Jacob both remained unmarried and moved to Northumberland/Union/Snyder County when Melchior did. Henry and Jacob both left their estates to their nephews (Fisher, page 102).

"When in Montgomery County, these people were Mennonites and attended the same group as did the Longakers and the Godshalks. After the move to Northumberland/Union/Snyder County, they worked on the Lutheran church building and at least two (2) of the sons married Lutherans.

"Tax records list son John {M1} as a weaver, son Jacob {M2} as a potter and son Henry {M4} as a cooper. They also farmed.

"Where G. M. Yoder lists the children of Jacob and Elizabeth (M2), from the census and tax records we find there were ten (10) children. He missed one son - Christopher. The order is not exactly correct either. Parenthesis indicate dates computed from census and tax records: William, b (1793), John L. b (1796-7), George D. b (1798-9), Christopher b (1800), Elizabeth b 17 August 1803, Jacob, Jr. b 17 August 1805, Daniel b (1808), Joseph b (1813), Mahlon b 20 December 1814, and James Lindsay b (1819)."

NOTE by YNL- We are certain that "Christopher" was NOT a son of Jacob Yoders, **M2**. His "existence" was based on faulty cemetery records. Not only does the information given to George M. Yoder omit him, but so does that of Mary A. Miller Smith, **M233-2**, (see YNL26).

DESCENDANTS OF MELCHIOR YODER, IMMIGRANT ANCESTOR -PART ONE-

M (Johann) Melchior Yoder born 15 August 1736 in Weidenthal, Phaltz, Germany. Carpenter. m. circa 1764 in Philadelphia County, PA to Anna Godshalk (born circa 1739 in Towamencin Township, Philadelphia (became Montgomery, 1784) County, PA; 12th d/o Godshalk Godshalk and his wife, Eve Custer - died 1786, aged approximately 47 years). Naturalized 17 October 1765 at Perquimong, Hatfield Township, Philadelphia (now Montgomery) County, PA. On tax list of Lower Salisbury Township, Philadelphia County, 1769. Paid taxes on 130 acres of land in Hatfield

Township, Philadelphia (now Montgomery) County in 1774-1782 when he moved to Limerick Township where he was taxed through 1796/7; bought land he patented in Center and Middle Creek Townships, Northumberland (became Union in 1813; became Snyder in 1855) County, PA, 1796; taxed for that land in 1799 (350 acres) through 1813 (130 acres). Resident of Montgomery County, PA per 1790 Census, page 159. He patented "Willow Bottom", 300 (325.5) acres on Ruff Creek, Washington (now Washington Township, Greene) County, PA in December 1786, but he probably never went there as the patent was returned in July 1791. Melchior appears to be a Trustee of the Middle Creek Society of Brethren along with Peter Godshalk, John Yoder and Samuel Meyer, which had been organized for the purpose of building a church and school, including the Rush Burying Ground. Melchior died before 22 December 1820, aged approximately 84 years, in Union (now Snyder) County, PA. He may have been interred in the above mentioned burial ground, now Globe Mills Cemetery, Middle Creek Township, Snyder County, PA, in which several of his descendants are interred. Will probated May 1822; named a son Henry (M4). [Sources: 1) Naturalizations of Foreign Protestants in the American and West Indian Colonies, M. S. Giuseppi, Assistant Secretary of the Huguenot Society of London, Genealogical Publishing Co., Inc., Baltimore, 1979; 2) Research by Mrs. Maurice Fred (Dorothy Yoder) Coffman at Union County Court House, Registry of Wills; 3) Probate and Orphans Court Records of Snyder County, Pennsylvania, 1772-1855, by Charles A. Fisher, Clearfield Company, Baltimore, 1991, page 59.]

Some sources claim that the above Godshalk line contains middle names at this point in time. There is no evidence to support this claim.

Research documented in the October 1994 Yoder Newsletter (Issue Number 24) presents evidence supporting the likelihood that Jacob Yoders (M2 - founder of the Greene and Washington County Yoders families) was the son of Melchior Yoder of Northumberland County, PA. Jacob of that family was a potter and disappeared from tax records in the East just before Jacob (a potter) appears in Western PA. Other clues likewise support this link.

The "Yoders" family from Greene and Washington Counties, PA is based on early 20th century Yoder data located and compiled by the late Carl Miller Yoders, **M234-341**. John Wesley Yoders, **M234-51**, Will Yoders, and Mrs. Mary A. Miller Smith, **M233-2**, had initially gathered some of that data. The 1927 letter by Mary Miller Smith cited a grandson of Jacob by daughter Elizabeth (Yoders) Sharp, **M24**, who was still living at the age of 80 in Washington, Washington County, PA. This gives credence to the notes that were written at that time as it refers to people who were the aunts and uncles of folks who were still living at that time

The YNL conclusions are CONFIRMED by the notes of Col. George M. Yoder of Hickory, NC in 1901 - obviously gained from direct contact with the family by correspondence around the turn of the century. He writes: "Jacob had taken a great interest in getting up subscriptions to rebuild St. Peter's or Seiber's Church, near Globe Mills, Middle Creek Township {now Snyder County, PA}. He subscribed and paid \$12 for material for the church. In a few years he left there with his family, and moved to
