I am E-mailing you at this time to tell you that I am sending some pictures which may be of interest to some of those able to attend the 2001 Yoder Reunion. I inherited them from my mother's sister (Mary Yoder Thompson Wood) who did a great deal of genealogy research on her Yoder line and her husbands (each from a different line from Solomon Yoder).

Solomon was Martin & Susanna Peter's son married first to a descendant of Jost - Mary Bertolet Yoder -after her death to Elizabeth Schaeffer (not Siegfried as noted in the Yodernewsletters, HANS1). My connection is Elizabeth Schaeffer who married Thomas D. Thompson, M. D. of Reading (son of Levi & Mary Hoch of Fleetwood , son of William & Mary Herb of Hereford). Roy Gehris (Berks County Genealogical Society) is descended from Mary & her second husband Peter Gehris and is the one who passed on this site address to us.

On my 1995 visit to the Oley Valley, I learned that Solomon had once had a store in part of the old Hans Yoder, Jr. home near the Covered Bridge. Later he and wife Elizabeth followed the T.D. Thompson M.D. family (Thomas and Elizabeth) to West Point, NE as well as other children from their union - Kate Shearer, Charlotte Readinger, Mary Landis whose children grew up with my mother. Most of these pictures are from there.

Mary Hill Skougaard, 1055 Rilma Lane, Los Altos, CA 94022, (650) 948-4451, maryskou@aol.com

The Bible I have is written in German and was published in 1834 in Philadelphia. I am copying word for word what it says. I think Solomon Yoder purchased it when he married Mary B. Yoder.

#### Gterbefalle Colonm 2

Elizabeth Yoder departed this life the 4<sup>th</sup> day of May A.D. 1896. Age 83 years 7 mos and 12 days. Funeral text recorded at psalm one hundred and sixteenth and verse 15. Precious in the sight of the Lord is the death of his saints.

Solomon Yoder died Febr. 1, 1904 age 91 years, 9 months and 6 days. Funeral text Job 14-14. If a man dies, shall he live again? All the days of my appointed time, will I wait, till my change come.

( I would note that Solomon's wife Elizabeth was first married to Abraham Seigfried. With him she had two sons: Daniel and Henry. The note of her maiden name Shafer helped me verify her identity with the George Schaeffer family. Source: "History and Genealogy of Georg Schaeffer Family" by Rev. David I. Schaeffer & Austin M. Schaeffer, 1949, published H. Ray Haas & Co. Allentown, PA)

From a Missouri researcher- Mar. 2006:

In 1832 Martin Yoter and Lucretia Johnson witnessed a administrative paper for the William Lazell estate. William's wife Nancy gave administration of her husband's estate to her brother-in-law, Jacob Lazell. I believe William and Nancy Lazell are the William Lazell and Nancy Adams listed online in the marriage records for Caldwell County Kentucky in 1810, Eddyville...I have no document about this marriage.

In 1837 in New Madrid, Sarah Yoter applies to administer the estate of her deceased husband, Martin Yoter. The name is spelled Yoter in most documents. Sarah is the daughter of Lucretia Johnson. Lucretia is the widow of Douglas Johnson. I'm not sure if Sarah is Douglas Johnson's daughter or Lucretia's daughter from a previous marriage, but may be the latter. The document states that the only child of Martin Yoter is Daniel Yoter.

In 1838 Eli (may be Elias?) Casey is appointed administrator of Lucretia Johnson's estate. It states that Lydia Smith, Lucretia's daughter, has moved to Texas.

By 1839, Sarah Yoter is now Sarah Casey, married to Eli Casey, who applies to administer Martin's estate. This document states that Martin had one child named Daniel Yoter.

In 1840 Alphonse Delaroderie is appointed administrator of the estates of Martin Yoter and Lucretia Johnson.. Martin's widow "now Sarah Casey" and son's whereabouts are unknown.

Kaufman County Texas online 1850 census shows Eli Casey, Sarah Casey, D. B. Yoter, and Eli Casey...I found that info on your site also.

#### YORK COUNTY INFORMATION

The first record we have found of a Yoder in the York county area appears in baptismal records. These show a child born and baptized to Daniel Yodder and his wife Catherina, at Christ Evan. Luth. Church, York, Pa:

Maria Barbara Yodder b. 10/1/1759 bp. 10/28/1759 -spon. by- Jacob Hess, umd s/o Philip Hess, and Barbara Wag\_ umd. d/o John

Records of Rev. Lucas Rauss, Lutheran Church of Lower Bermudian Congregation, Latimore Twp., present day Adams Co., Pa, show these added children of Daniel and Catherina "Jodder":

Johannes b. 6/4/1762 bp. 9/22/1762 sponsors- Johannes Asper & Elizabetha

Daniel b. 12/20/1763 bp. 12/26/1763 sp. Johann Lehmer & Elizabetha

Maria Magdalena b. 8/10/1778 bp. 10/14/1778 sp. Friedrich Herrmann & Maria Magdalena

A record of the same church shows the confirmation of Johannes Jodder, age 14, on Easter 1777,

Land warranted to Leonhard Ox 21 Apr 1758 was conveyed by deed dated 18 Apr 1763 to John Yoder. This parcel was 119 acres and 114 perches and named "Yoderland". On 7 May 1767 an additional warrent was issued to him in Reading Twp, York County for a 100 acre parcel named "Yoder addition" and shown as 83 acres 140 perches. On 24 Jun 1772, John patented both parcels. By indenture dated 4 Jul 1772 "John Yoder of Oley Twp., Berks" sold both parcels to "Daniel Yoder of Reading Twp., York Co" for £65. The Oley reference is very significant and will be discussed in more detail later.

The tax list of Reading Twp. for 1779 shows "Daniel Yoder" 200 acres with 1 horse & 3 cattle. Daniel is shown through 1780 with 200 acres. From 1781 to 1783 Daniel is shown with 212 acres. In 1783, when the Johannes born 1762 turns 21, he appears in the tax records, without any land. Daniel is shown that year with 7 people in residence, and John is listed singly. On 17 Nov 1784, Daniel Yoder "yeoman" sold his two parcels....one to John Yother "laborer of the other" (and we presume his elder son) and one to a "Henry Nell".

Signature from John Yother Will

John Yother of Reading Township wrote a will on 29 Feb 1788, which was probated 21 Mar 1888. He named as his executors Edward Hunt and Jacob Kintzer. He left his estate to be divided among his two children, Elizabeth and Jacob, and left legacies to his wife Esther

and his father Daniel Yother. A guardian document gives the ages of the children as being 2 for Elizabeth and 1 year, 1 month for Jacob. (Lower Bermudian Church records show Elisabeth "Jotter" b. \_\_\_ May 1786 to Johannes and Esther with Caspar Schimpf as sponsor).

This all supports the assumption that John Yother was the son of the above Daniel Jodder, who appears in the tax lists. The "Inventory and Paiments of the Goods and Chattels of John Yother of Reading Township" records the distribution "by will" of a Red Cow (valued at £3) a bed, and "puter" to "Danyel Yother Sen." This does not necessarily mean he had a son named Daniel, but would imply at a minimum a younger Daniel Yother in the area. The family group above shows a Daniel born in 1763, but he seems 10 years too old to be the Daniel of Centre County. Also on the inventory is the payment of £1 to "Cathy Yother" (the sister in the above records?). Other names on the inventory settlement include Asper, Caibel, Hunt, Overholser, Cronister, and (perhaps significantly) "XXXX Mortorff" (first name crossed out)! The rarity of this name would seem to imply a connection with our Centre Co., Daniel. According to Gene Mortorff, Conrad Mortorff (who arrived in Philadelphia on the Ship Union in 1773) went to Lower Bermudian Church during his indenture and for a short while afterwards when living in Dover PA.

However, the reference to John Yoder as of Oley, makes us look for a possible Oley Valley Yoder link. There are two John Yoder candidates. One might be the John Yoder OH11 (c1726-by 1785). His son Martin died in Mt. Joy Twp., York Co. in 1798 (see YNL32). The more likely choice is John Yoder OH1 (1700-1779) who did have a son named Daniel (OH14). Until now, we've assumed that OH14 was the Daniel who married Anna Kauffman and who appears in Union Township, Berks County and died in 1800. That speculation was based on a reference to him being connected with Oley Township and the relatively early dates of his appearance in the records. This new land record makes that assumption worth relooking. Could the Reading Twp Daniel have been OH14, buying the property in 1772 from his father or brother? Perhaps. In the 1779 will of John Yoder (OH1) he gives £1 each to sons John, Daniel, and Peter, "each of them considerably received of me in my lifetime". He also gives £5 each to two granddaughters by his daughter Maria and her husband Col. John Leshner. After providing for his widow, the balance of the estate is divided into three parts. One part each to grandchildren by son John, son Peter, and deceased son Samuel. No mention is made of any children of Daniel.
